Event information

PSI AUSTRALIAN YOUNG DRESSAGE HORSE CHAMPIONSHIPS

Australian breeders work to improve the gene pool, importing top bloodlines and combining them with our Australian bred talent. The aim is to produce excellent performance horses. The PSI Australian Young Dressage Horse Championships is a showcase of excellence. The young Dressage horses are judged in 3 age groups and the conclusion of the event determines a Champion of Champions.

YOUNG JUMPING HORSE CHAMPIONSHIPS

A competition for young jumping horses in the age groups of 4,5, 6 and future stars (7- 8yo). Each age group is scored over two competitions by a panel of judges that includes our international guest rider. These scores are combined to give the results for each age group. The final winners of each age group are then judged against each other by the judging panel to determine the Champion of Champions.

DRESSAGE MASTERCLASS

The audience can look forward to an informative and entertaining master class from an internationally successful rider who has himself trained with some of Europe's legendary trainers. Emile Faurie, a member of the record breaking gold medal winning English team at this year's European Dressage Championships has an international career that spans almost two decades having represented Great Britain at European and World Championships and at two Olympic Games. Career highlights include an individual bronze and team silver in the 1993 European Championships, team bronze at the 2003 Europeans and of course 2011 team gold medal. Emile is also a British Dressage judge and coach of the National Start and Potential squad. He is highly regarded as a Young Horse judge, having judged the finals four years in a row at the UK Young Horse Championships and also the finals of the Dutch Young Horse Championships in 2009. As a competitor he has the enviable record of having twice won the 4yo and 5yo Championships at the UK Young Horse Championships with the same horse, one of which (Wild at Heart) went onto a top 10 placing at the World Young Horse Championships.

JUMPING MASTERCLASS

Exciting news for jumping riders and fans with Olympic Silver medalist, Greg Best, returning as our jumping guest 'star', making it two years in a row! Greg partnered the famous Gem Twist to win silver in the team and individual events at the 1988 Seoul Olympics representing America. They had much international success including a top 4 finish at the 1990 WEG. Greg relocated to New Zealand in the early 90's where he operates "Silverstream Farm" a training, breeding and sales centre, producing horses which have won numerous young horse classes at the NZ Horse of the Year Show. Primarily now a coach he has also been a National Show jumping Selector, a member of the Show jumping High Performance Committee and the National Show jumping Coach, coaching the NZ team at the 2004 Athens Olympics.

GRAND PRIX / GRAND PRIX FREESTYLE

Dressage at its best, the Freestyle to music provides spectacular entertainment. The riders compete over three days, the Grand Prix on Thursday, the Grand Prix Special on Friday & Freestyle on Saturday evening.

PRIX ST GEORGES CUP

A training ground for dressage horses that are just venturing into FEI ranks with a combination of the Prix St Georges test and an Inter I (Freestyle) to music.

PARTY WITH THE STARS

Saturday evening all ticket holders can join the competitors in celebration with live music at the Friends of Werribee bar. A fantastic way to end the event.

SUNDAY 25TH – YOUNG HORSE CLINIC

Young Horse judges, riders and trainers seminar. Dr Ulf Moeller from PSI will again work with several of our guest judges and a number of invited young horses in a clinic focusing on riding and judging young horses. Tickets will also be available at the Silver Door entrance on the morning. **Approx start time 9.00am Cost \$50 Gate entry free.**
