

Geelong Performing Arts Centre 2011 Work Experience Application Form

The Geelong Performing Arts Centre work experience program offers students an opportunity to learn about event management and arts administration through practical hands on involvement in the *Geelong Schools Music & Movement Festival* and *Poppykettle Children s Festival*.

Unfortunately due to the large number of applicants received and the limited time frame available to offer work placement, we are not able to accept all students who apply.

Applications close at the end of May and selected students will be asked to attend an interview.
