

**Geelong Performing Arts Centre  
2010 Education Program  
Work Experience Application Form**

The Geelong Performing Arts Centre offers placements for secondary school and tertiary students wanting to pursue a career in the arts.

The work experience program offers students an opportunity to learn about event management and arts administration with hands-on involvement in a number of youth arts festivals.

Due to the large number of applications received and the limited time frame available to offer work placement experiences, we are not able to accept all students who apply.

**Applications close at the end of March** and selected students will be asked to attend an interview.
